we PROJECT and create

boxes | cards | business card holders | napkin holders | candle holders | wedding decorations

We project

We create not only ready-to-go products, but also custom made to match your preferences!

Wooden products

We engrave products from plywood so that they're beautiful and functional.

Other materials

We also engrave using: engraving laminates, plexiglass, acryl, glass, aluminum and metals

Precise laser

We cut and engrave any shape with precision of a laser
